3 Complete the article with seven phrases from exercise 1.

Small changes for a healthier life

FOOD

Try to eat more healthily, for example

1 eat lots of fruit and vegetables – doctors say that seven a day is a good number. And 2 _____ – that's about two litres a day.

EXERCISE

It can be expensive to 3 _____ and sometimes it's difficult to go every day, but there are other types of exercise you can do. On work days you can leave your car at home and 4 _____ or ride a bike – you save money and you feel good. When you arrive at the office 5 _____, to your floor. Walking up and down stairs for an hour uses over 500 calories (that's about the number of calories in a big hamburger!). After work, you can use more calories when you arrive home – don't sit in front of the TV, 6 _____ or in the garden.

RELAXING

You don't feel healthy when you're tired.

7 _____ – go to bed early and don't eat a big meal late in the evening.

➔ **STUDY TIP** When you are reading in English, look for groups of words that are used together, for example *ride a bike*, *do exercise*, *take the stairs* – these are collocations. Make a note of them in your notebook and learn them as phrases, not individual words.
