## TRAVEL THE WORLD

Next week, on Travel the World, I <sup>1</sup> *'m going to* visit an unspoilt island in the Pacific where islanders face a difficult choice. A major hotel chain has offered a lot of money to build a luxury hotel, and they <sup>2</sup> \_\_\_\_\_ start construction next year. At least, that's their plan. The islanders have the final say, and they <sup>3</sup> \_\_\_\_\_ hold a meeting to discuss all the issues. We hope to be there to hear what they think. Currently, nobody knows what they <sup>4</sup> \_\_\_\_\_ decide to do. Many people believe that tourism <sup>5</sup> \_\_\_\_\_ bring unwanted pollution and large, ugly buildings to the island. At the same time, others believe it <sup>6</sup> \_\_\_\_\_ create jobs and introduce shops and services. On other islands nearby, for example, the arrival of tourism has resulted in the destruction of coral reefs and the islanders' traditional way of life; but people are richer and have more opportunities. Clearly, the choice isn't an easy one. I <sup>7</sup> \_\_\_\_\_ see you next week. Goodbye from paradise.
